Hey Bradley

Yes, we are aware of and have been in communication with the folks in Crossett concerning the paper mill. I am including Arturo Blanco and Israel Anderson from the Region 6 EJ office as they have been on point for engaging the folks from Crossett.

I am happy to discuss this matter with you, but will really rely on the experience and insight of our R6 colleagues. Would you prefer to follow up directly with them, or have me set up a call for all of us?

Sincerely,

Matthew

Subject: Crossett, Arkansas Community Concerns

Dear Mr. Tejada,

Lisa Garcia and Emma Cheuse suggested I reach out to you regarding concerns that people in Crossett, Arkansas have regarding a pulp mill and chemical plant owned by Georgia-Pacific. A lot of people are experiencing severe health effects, mostly concentrated in a single area. If we could have a conversation about this, I would greatly appreciate it. Please let me know if you have any time to talk about this. Thanks.

Best,
Bradley
